Hare Krishna,

PAMHO. AGTSP.

We arrived OK. It's all good. There are a lot of contacts to be made here. People walk up to us because of the T-shirt and congratulate us in the airport. First we will be getting setup and make contacts and arrangements with the military government and NGO agencies. There have been some offers to us from the government etc. We met a Fox News reporter at the airport etc.

I see no problem advertising on the Internet and raising funds for RKD's sanitation project etc. M's plan is good. Please see him sometime in the next week or two. I believe his plan and contacts, yourself, [Priyavrata's FFL](#) , and what we are doing here can all be connected.

Its not too hot, 20-30 C and definitely not too cold. There is nice fruit. I haven't seen any mozies yet. We are near the sea and the temple in Santo Domingo.
